4. Centre for Linguistic Science and technology
5. Centre for Rural technology

6. Courses Offered: http://www.iitg.ac.in/acad/courses_syllabee.php

7. Full time study load for one semester:

The exchange students can take a maximum of 7 courses per semester, or they can do only the project work without taking any course in a semester. Teaching of the courses shall be reckoned in credits. Credits are assigned to the courses based on the following general pattern:

- Two credits for each lecture period
- Two credits for each tutorial period
- Two credits for each studio period
- One credit per hour for each Laboratory or Practical or Project session.

8. Attendance -

If a student has less than 75% of attendance in a particular course, He or she may be disqualified from writing the end semester examination.

9. SPI Calculation -

A Semester Performance Index (SPI) will be computed for each semester in a scale of 10. The SPI will be calculated as follows:

$$SPI = (C_1 * G_1 + C_2 * G_2 + C_3 * G_3 + \dots + C_n * G_n) / (C_1 + C_2 + C_3 + \dots + C_n)$$

where, n is the number of courses registered during the semester, C_i is the number of credits allotted to a particular course, and G_i is the grade points corresponding to the grade awarded for the course.

10. Grading System-

Based on the performance of a student, each student is awarded a final letter grade in each subject at the end of the semester. The letter grades and the Corresponding grade points are as follows:

Grade	Grade Point	Grade	Grade Point
AA	10	CC	6
AB	9	CD	5
BB	8	DD	4
BC	7	F	0

11. **Language of Instruction:** English

12. **Estimated Costs :** Average living cost per student per month is Rs. 12,000/- to 15,000/-
