

INDIAN INSTITUTE OF TECHNOLOGY GUWAHATI

Dear alumni,

Warm wishes to you on behalf of the IITG alumni newsletter committee. The recently formed newsletter committee is adopting fresh new ideas in its efforts to remain connected to the IITG fraternity all over the world. The committee plans to introduce new sections to make the newsletter ever more refreshing and an enjoyable reading experience.

As before, the magazine would like to showcase recent achievements of IITG students, alumni and faculty. We invite you to send contributions to aamag@iitg.ernet.in by 30 November, 2011. Please let us know about recent awards, distinctions, recognition or accomplishment in your professional or academic life that you would like to share with the IITG community. If you know about other IITG members/alumni with such accomplishments, please do inform us about them as well.

In our upcoming newsletter we would like to include not just news about the IITG community but would also like to enrich it with real life experiences of the students, alumni and faculty. To this end, we appeal to you to write to us about any interesting stories that you may have from your stint in IITG. Many of you were students of this institution when it was a fledgling IIT, but which has now grown significantly to be counted as one of the older IITs. These reminiscences may enliven the character of the alumni newsletter and these stories are the ones which may go a long way in binding us together even as we go on with our daily lives in IITG or in other places far and wide. The stories may be sprinkled with a dash of light-hearted humour so that we can relish reading the alumni newsletter with great pleasure. The word limit for the short stories is around 250 words and long articles should be restricted to a word limit of 500 words.

You may be happy to know that the alumni newsletter committee is also planning to organize a photography competition solely for the alumni newsletter photo section. The theme of the photographs will be 'IITG Campus'. The details of the photography competition are being worked out and will be announced shortly in another mail.

We hope to bring a lot of excitement and fun in the upcoming newsletter and we need your help and support to make it happen. So stay tuned and write to us about all your achievements and fun-filled stories of your life in IITG, no later than 30th November 2011.

Best Regards,

Shakuntala Mahanta
