

Memorandum of Understanding (MOU)
between
Indian Institute of Technology (IIT) Guwahati, India
and
College of Engineering, Chubu University, Japan

Indian Institute of Technology (IIT) Guwahati, India and College of Engineering, Chubu University, Japan have common academic interests and seek to develop collaborations and exchanges in fields of shared interest and expertise, and the two institutions agree on the following terms and conditions.

1. Cooperation shall be pursued in the following areas:
 - (1) Exchanging faculty, researchers to promote research activities.
 - (2) Pursuing avenues for student exchange of research internship during the academic year or summer terms.
 - (3) Exchanging academic information and materials.
 - (4) Arranging collaborative research opportunities, seminars, meetings, lectures, and other exchange and cooperation activities to which both institutions agree.
 - (5) Collaborative research includes the academic field of Image/Video Processing and Computer Vision as an example.
2. The two institutions recognize that the implementation of any agreed upon activity will depend on the interests and expertise of the individuals involved and the availability of financial resources, space and other resources. Accordingly, the implementation of any exchange and cooperative program based on this MOU shall be separately negotiated and determined between the two institutions. It is further expected that both institutions will be compliant with all applicable state and federal laws and regulations and University policies.
3. This MOU will become effective when signed by both institutions. The agreement will remain in effect for five years from the signature date, below, and may be renewed or amended by mutual agreement of the institutions. The institutions agree to periodically review the activities undertaken and the progress made and to consult concerning amendments, renewal or termination of this MOU. Either institution may terminate this MOU at any time by providing written notice of such termination to the other institution.
