Dear Graduating Students,

As per decision of the Ministry of Human Resource Development (MHRD), Government of India, we are required to upload/lodge our digitally signed academic awards (Original Pass Certificates, Grade Cards etc.) in the National Academic Depository (NAD). The objective of the NAD is to ensure that the academic awards are stored permanently in a secured digital depository and thereby to make them available online to all stakeholders such as Students, academic Institutions enrolling students for higher studies, Employers, and Verifying Agencies, on 24x7 basis.

There are presently 2(Two) Government of India approved depositories viz., NSDL Database Management (NDML) and CDSL Ventures Limited(CVL), to provide NAD related services to all the stakeholders; and, TO START WITH, FOR THE YEAR 2017, IIT GUWAHATI, HAS MADE AN ARRANGEMENT FOR UPLOADING ITS ACADEMIC AWARDS IN ONE OF THE DEPOSITORIES i.e. CDSL VENTURES LIMITED(CVL).

Since, the present batch of graduating students are going to get all required services relating to Pass Certificates and Grade Cards like extra authenticated copies, getting services of verification by forwarding their NAD Registration Number (NAD ID) (in addition to downloaded copies of Pass Certificates/Grade Cards etc.) to Employer or educational institutions where they seek admission for further studies etc., they are hereby requested to visit link given below and upload the required information/documents after registering with the NAD:
