

ISPBCI
2017

INTERNATIONAL SYMPOSIUM ON PLANT BIOTECHNOLOGY FOR CROP IMPROVEMENT

JANUARY 20-21, 2017, IIT GUWAHATI, INDIA

ANNOUNCEMENT

International Symposium on Plant Biotechnology for Crop Improvement (ISPBCI) will bring together the leading plant biologists to discuss advances in plant molecular biology research, applications to agriculture, metabolic and molecular processes to cope with environmental stress, and plant immunity to pathogens. ISPBCI to be hosted by Indian Institute of Technology Guwahati, India, will provide an excellent opportunity for participants around the world to share the latest global progress of crop science research and build multilateral partnerships for translational crop research.

Host: DBT Program Support Laboratory, Indian Institute of Technology Guwahati

Call for abstract: Please send to ispbci2017@gmail.com abstract on following areas:

1. Molecular Plant Signalling
2. Applied Plant Molecular Physiology
3. Plant Nutrition
4. Genomics-, Proteomics- and Metabolomics-assisted Plant Improvement
5. Biotic Stress Tolerance and Plant Immunity

The presented papers will be encouraged for submission to "**Physiology and Molecular Biology of Plant**", an International Journal of Functional Plant Biology published by Springer (as per the publication terms and conditions of the Journal) in its special issue "**Emerging Technologies in Crop Improvement**".

Important dates: Deadline for abstract submission: **January 12, 2017**

Deadline for early bird registration: **January 15, 2017**

Please log on to <http://www.iitg.ernet.in/biotech/NewHtml/index.html> for details of registration

Confirmed speakers:

Prof Bernard Carroll, University of Queensland, Australia
 Prof Byeong-ha Lee, Sogang University, South Korea
 Prof Kou-Cheng Peng, Taiwan
 Dr Raju Barwale, MAYHCO, Aurangabad
 Prof Rudra D Tripathi, NBRI, Lucknow
 Dr Manoj Prasad, NIPGR, New Delhi
 Dr Nrisingha Dey, ILS, Bhubaneswar
 Prof Takashi Ikka, Shizouka University, Japan
 Prof Bidyut K Sarmah, AAU, Jorhat
 Dr Yasufumi Kobayashi, IIT Guwahati

Prof Hiroyuki Koyama, Gifu University, Japan
 Prof Jennifer Ann Harikrishna, University of Malaya, Malaysia
 Dr Sunil Mukherjee, NER-BPMC, DBT, New Delhi
 Prof Junpei Takano, Osaka Prefectural University, Japan
 Prof M V Rajam, UDSC, New Delhi
 Prof Giridhar K Pandey, UDSC, New Delhi
 Dr Neeti Sanan-Mishra, ICGEB, New Delhi
 Dr Ajeet Tomar, Agrovet, Cadila Pharmaceuticals Ltd, India
 Prof Jagreet Kaur, UDSC, New Delhi
 Dr Pradhyumna Kumar Singh, NBRI, Lucknow

Registration Fees

Category	Without Accommodation	With Accommodation
Students	Rs. 1,000	Rs. 1,500
Post-Doctoral Fellows	Rs. 2,000	Rs. 3,000
Faculty/Scientists	Rs. 3,000	Rs. 5,000
Industrial delegates	Rs. 5,000	Rs. 8,000

No registration fee for the invited speakers

Organizing Secretary:
 Prof. Lingaraj Sahoo
 Indian Institute of Technology Guwahati

Co-organizing Secretary: Prof. Sanjib Kumar Panda, Assam University, Silchar
Joint Organizing Secretaries: Prof. Suvendra Kumar Ray, Tezpur University, Tezpur
 Prof. Bhaben Tanti, Gauhati University, Guwahati
 Dr. Sumita Acharjee, Assam Agricultural University, Jorhat
 Dr. Raju Bharali, Cotton College State University, Guwahati
