COLLABORATIVE RESEARCH AT EXTERNAL ORGANIZATION FOR MASTER'S THESIS

Declaration by the External Organization

Name of the Organization:

Address:

Herein after referred to as the "Organization".

I, NAME of the Authorized Representative of the Organization, DESIGNATION, on behalf the Organization agree to the following terms and conditions to select Master's students of IIT Guwahati for their theses work at the Organization.

1. The Organization will allow the Student to include the work done under this collaboration in his/her Master's thesis.
2. The final decision for allowing the Student to undertake collaborative master's thesis work with the Organization will be decided solely by the Supervisor of Master's thesis student at IIT Guwahati. Note: In cases where the Supervisor was not allotted during the selection process, the consent of the Supervisor is required for the Student to commence his/her work at the Organization.
3. The Collaboration shall be solely between the respective Supervisor (and Co-Supervisor, if any) of a particular Student and the Organization. The Supervisor and the Organization will jointly decide the duration of work at the Organization and at IITG.
4. Before engaging the Student in the work, the Organization agrees to discuss with the Supervisor (based on mutual discussion) about the scope of work, data sharing policy and sign a joint agreement with the Supervisor. Policy on data use until the completion of the thesis work by the Student will be clearly discussed and mutually agreed by the Supervisor and the Organization in the agreement.
5. Any publication/patent from such collaborative work will be shared jointly by the Supervisor, Student and the Organization. Before the commencement of the project work, the Organization has to agree with the Supervisor about the people who will be a part of the publication/patent arising out of this collaborative project work.
6. The Organization shall give a one month notice to the Student and the Supervisor for ending the collaboration before the completion of thesis work.
