Reg. Blocking of slot booking for absent FESEM/EDX user

It is for information to all users that, if any user found absent in his/her allotted FESEM/EDX slot/s the whole user group (under same supervisor) **will be blocked for new slot booking for 15 days from the day of absent. This blockage will be applied to all the FESEM instruments which are on operation at present i.e. viz. FESEM SIGMA, FESEM SIGMA 300, and FESEM GEMINI 300.** However, user may cancel his/her allotted slot by giving information to the TO/JTS in-charge minimum two days (48 hrs) prior to the sample loading time. This shall come into force with immediate effect.
