FIRST CALL FOR PAPERS
Fifteenth National Conference on Communications
January 2009
IIT Guwahati, Guwahati
 Organized by Joint Telematics Group of IITs & IISc

The Fifteenth National Conference on Communications (NCC 2009) will be held at **Indian Institute of Technology Guwahati (IIT Guwahati)** during January 16-18, 2009 along with pre-conference tutorials on January 16, 2009. The conference aims to provide a forum for researchers in communications, networking and signal processing and will feature technical paper sessions, poster sessions, tutorials and workshops. The conference will feature **three symposia** on Communications, Networks and Signal Processing respectively. All accepted papers will be published in the conference proceedings. Prospective authors are encouraged to submit their original research contributions to the following three symposia:

Communications	Networks	Signal Processing
<ul style="list-style-type: none"> • Communication Theory • Information and Coding Theory • Wireless Communications • RF, Microwave Communication and Antennas • VLSI for communications • Satellite Communication 	<ul style="list-style-type: none"> • Next Generation Networks • Optical Networks and Systems • Sensor and Ad Hoc Networks • Wireless Networks • Networks and Information Security 	<ul style="list-style-type: none"> • Signal Processing for communications • Image Processing and Multimedia Applications • DSP Algorithms and Architectures • Speech and Audio Processing • Biomedical Applications

The above lists of topics are typical and not exhaustive.

Tutorials: One page proposals are invited for half/full-day tutorials in the broad areas covered under the scope of NCC 2009.

Workshops: Proposals are also sought for workshops on the latest technical and business issues covered under the scope of NCC 2009.
