

Title of Sample Paper for NCC 2009

¹ Author, ² Author, . . . and Author ⁿ
Address and Affiliation of Author¹

..
Address and Affiliation of Author ⁿ

Email: {author¹, author² authorⁿ}

Abstract—The abstract should be up to 150 words summarizing the paper.

Column separation: 4mm
Column width: 88mm

I. INTRODUCTION

Prospective authors are encouraged to submit full paper for review. Only original papers that have not been published or submitted for publication elsewhere will be considered. The paper, including text, tables, references and illustrations, should not exceed 4 (four) A4 pages. The paper must be in two-column format. Figures should also be in one of the columns. However, if necessary, figures may span both columns.

II. FONTS AND MARGINS

The fonts and spacing to be used are described herein

A. Fonts

Please use the Times New Roman font. Left- and right justify your columns. Use tables and figures to adjust column length. On the last page of your paper, adjust the lengths of the columns so that they are equal. Use automatic hyphenation and check spelling. The font sizes are as follows:

Title: Bold, 24pt.

Author names: 11pt.

Author addresses: Normal, 10pt.

Abstract: 9pt, bold

Abstract Heading: Italic.

Section Titles: Upper case, 8pt.

First letters in section titles: Upper Case, 10pt

Subsection Titles: Italic, 10pt.

Body of the paper: Normal, 10pt.

Reference: Normal 8pt.

References Caption: No section number, Italics, 12pt.

Gap between authors' addresses & text body: Two lines.

Spacing between sections: One line.

Inter paragraph spacing: One line.

Interline spacing: Single space.

B. Margins

Top margin: 19mm

Bottom margin: 43mm

Left and right margins: 13mm

III. FIGURES AND TABLES

Position figures and tables at the tops and bottoms of columns. Avoid placing them in the middle of columns. Large figures and tables may span across both columns. Figure captions should be centered below the figures; table captions should be centered above. Figure labels should be legible, about 10-point type. Avoid scanned figures in your paper.

IV. PUBLICATIONS

All accepted papers will be published in the Proceedings provided:

1. They conform to the format specified in the sample.
2. On intimation of acceptance, at least one of the authors registers by the date specified, along with the appropriate registration fees.

However accepted papers even those which are not published can be presented at the conference provided an author registers at the conference. These will be listed in the Advance Programme if due intimation with registration fee is given.

Efforts are to include the papers which appear in the proceedings of NCC 2009 in the IEL. The developments in this regard will be notified later on.

V. CONCLUSION

The references should be in the format shown.
