Prof. Rakesh S. Kshetrimayum
<krs@iitg.ac.in>

Ghent, 2 February 2021

Dear Prof. Kshetrimayum,

Subject: URSI Senior Membership

We are very pleased to inform you that the URSI Board of Officers has approved your application to become an URSI Senior Member. In so doing the Board recognises your achievements as a radio scientist and your involvement in URSI.

With this URSI Senior Membership come benefits such as reduced registration fees at URSI Flagship Meetings (URSI GASS, URSI AT-RASC and URSI AP-RASC), and this benefit even extends to some conferences run by some of our partnering organisations. In cases where such reduced registration fees apply, please make sure to quote your membership number, M2110064965, when registering. On the website at <https://www.ursi.org/membership.php> there is an up-to-date list of benefits.

Attached is your temporary membership card. If you elect to do so, your permanent membership card and certificate of membership can be presented at the next URSI Flagship Meeting. URSI Senior Membership is for life and at no cost, but URSI retains the right to rescind these honours if advised to do so by a Member Committee, scientific Commission, and after due consideration by the Board.

As an URSI Senior Member, I hope that you will deepen your involvement in URSI activities, events and with the scientific commissions. As a volunteer led organisation URSI is always happy to welcome additional help and we believe that you will also find this highly rewarding.

We are looking forward to seeing you at the next URSI Flagship meeting and many subsequent meetings.

Yours sincerely,

Prof. Peter Van Daele
Secretary General of URSI

Prof. Makoto Ando
President of URSI
