Information Sought :	<p>I would like to recall some guidelines mentioned on www.iitg.ac.in/home/page/75 regarding faculty selection. Minimum Qualifications (faculty post): Ph.D. with first class at the preceding degree or equivalent in the appropriate branch with a very good academic record. That is, one must have the first class score in the Master degree. Since the selection is open to all eligible Indian citizen and hence norm must be the same for internal candidates too.</p> <p>1. All candidates selected through advertisement, therefore, then what does it means to define internal and external candidates separately as mention in the reply of RTI application IITGW/R/2019/50038. Please explain.</p> <p>2. Please provide a copy of final mark sheet of Bachelor and Master degrees of Dr. Vinay Wagh who recently appointed as Associate Professor in the Department of Mathematics, IIT Guwahati.</p> <p>Thanking you, Yours sincerely, Rajesh K. Srivastava</p>
