To Director

Subject - charges levelled by Dr. R. Srivastava of MA Dept. against Prof. S.N. Bora, then Head MA Dept. during PhD Entrance Exam, 2016.

I have gone through the papers related to the above subject. The response of Prof. S.N. Bora and the observations of Prof. N. Selvaraju, Head MA Dept. and the attached documents suggest no malpractice on the part of Prof. Bora.

As the Academic Section is involved in the admission of the concerned candidate after the entrance, the observations of DOAA may also be considered.

DOAA

Allegations against Prof S. N. Bora, then HOD, Mathematics are not found to be based on concrete proof of evidence. As soon as Prof Bora came to know about the slip of that happened on the day of the exam, he took all possible measures to know the truth.

As per records, the candidate scored high marks in the interview which decided ranking and admission. His selection is thus justified and this was corroborated by his research performance later.
