**Item 6: Discussion on a proposed revision of existing course 'MA224: Real Analysis'**

The existing course "MA224: Real Analysis" has been proposed to be revised by Dr. Rajesh Srivastava. The proposal is given in Annexure-4.

The proposal is to introduce a tutorial component as well as a few additional topics. Based on the feedback received from the faculty members of the department, the committee deliberated on the proposal. As this course has been revised recently for the new B.Tech course curriculum, the committee was not in favour of revising it again in such a short span of time.

**DUPC/DPPC.2019/09/26/6:**

The committee **resolved** that the revision proposal for 'MA224: Real Analysis' be **NOT** approved.
