	(original recipient)	प्रकार)
Request Pertains to (अनुरोध निम्नलिखित संबंधित है) :	Dilip Boro	
Information Sought (जानकारी मांगी):	<p>Technology Incubation Centre at IIT Guwahati incubates startups.</p> <p>I would like to get some information about the incubation centre in IIT Guwahati which is very less known by Northeast India and even not known by people of IIT Guwahati. The data is to know what is happening to the taxpayers money. And what is happening to the money allotted by the central government to support startup companies. I would like to keep my identity hidden since the purpose is the right of an Indian Citizen to know where his tax money goes.</p> <p>The queries I have are</p> <ol style="list-style-type: none"> 1. The number of startups currently incubated at TIC. 2. Out of the incubated startups how many of them have a presence of less than 50% of the working days. 3. The number of patents produced by the startups in the incubation centre in last 7 years. 4. Who is the in-charge of the Incubation Centre and is the qualifications he/she has is enough to run a startup incubator also, the areas in which he/she has expertise in building/helping budding businesses. 5. The number of days the in-charge of the incubation centre has visited the incubation centre in the past 6 months and how frequently they should visit the Incubation centre. 6. How many times he/she had interacted with the startups in a month. 7. The number of networking sessions, one-one mentorship provided/arranged by the incubation centre in the past 6 months and the details of the amount allotted for the same. 8. What all are the funding source for the incubator and out of that How much percentage of it is spent on mentoring the startups. 9. Mention any new industrial or institutional collaboration the incubator has done and how many startups were benefitted. 10. How many times the IIT management, Dean, the Director has all together visited the incubation centre in the past 1 year and how many times they have interacted. 11. As an Incubation Centre and how much facilities and accessibility to the technological part of IIT Guwahati is open for Startups. 	

12. Which are the most promising startups in the incubation centre.

13. What are the steps that the incubation centre and IIT-G have taken to uplift startups on an individual basis for the past 6 months.

Technology Incubation Centre at IIT Guwahati incubates startups.

I would like to get some information about the incubation centre in IIT Guwahati which is very less known by Northeast India and even not known by people of IIT Guwahati. The data is to know what is happening to the taxpayers money. And what is happening to the money allotted by the central government to support startup companies. I would like to keep my identity hidden since the purpose is the right of an Indian Citizen to know where his tax money goes.

The queries I have are

1. The number of startups currently incubated at TIC.
2. Out of the incubated startups how many of them have a presence of less than 50% of the working days.
3. The number of patents produced by the startups in the incubation centre in last 7 years.
4. Who is the in-charge of the Incubation Centre and is the qualifications he/she has is enough to run a startup incubator also, the areas in which he/she has expertise in building/helping budding businesses.
5. The number of days the in-charge of the incubation centre has visited the incubation centre in the past 6 months and how frequently they should visit the Incubation centre.
6. How many times he/she had interacted with the startups in a month.
7. The number of networking sessions, one-one mentorship provided/arranged by the incubation centre in the past 6 months and the details of the amount allotted for the same.
8. What all are the funding source for the incubator and out of that How much percentage of it is spent on mentoring the startups.
9. Mention any new industrial or institutional collaboration the incubator has done and how many startups were benefitted.
10. How many times the IIT management, Dean, the Director has all together visited the incubation centre in the past 1 year and how many times they have interacted.
11. As an Incubation Centre and how much facilities and accessibility to the technological part of IIT Guwahati is open for Startups.
