NOTICE

Subject: Modalities for Winter Semester (Jan-May), 2022.

A. The classes for Winter Semester (Jan-May), 2022 will be conducted as per the following modalities:

S. No.	Programme/Year	Mode of Classes
1.	PhD (including those admitted in Dec 2021)	i. All classes and assessment of • compulsory courses and • elective courses exclusively offered for these students shall be held OFFLINE on the campus by following COVID protocols.
2.	MTech/MDes/MS(R) (Both First and Final Year)	
3.	Final Year MA/MSc	ii. The elective courses having some Undergraduate students will be held ONLINE, as per the ongoing modalities.
4.	First Year MA/MSc	All classes will be started ONLINE, as per the ongoing modalities.
5.	All Years of BTech/BDes	

- B. It is to be noted that, as per the existing modalities, **all Research Scholars and all Final Year students of MTech/MDes/MS(R)/MA/MSc/BTech/BDes can return to the campus** and do their project/thesis work by following the protocols issued by the Students' Affairs Section.
- C. Further, the Students' Affairs Section **will issue a separate notice with the modalities for calling** and accommodating the above-mentioned Postgraduate (PhD/MTech/MDes/MS(R) and Final Year MA/MSc) students for whom the classes are scheduled OFFLINE on the Campus.
- D. COVID-19 situation will be closely reviewed **to decide about calling the remaining students**, i.e., the First Year MA/MSc and First/Second/Third Year BTech/BDes students, to the campus.
- E. In principle, the classes and assessment for a course (whether it is theory or lab) will be either fully OFFLINE or fully ONLINE, as per the list of programmes/courses mentioned-above. **No course will have hybrid mode of teaching and assessment.**
- F. If any of the students whose classes are scheduled OFFLINE on the campus, i.e., the students of Final Year MA/MSc, both First and Final year MTech/MDes/MS(R), and of PhD, **are unable to return to the campus because of any medical reasons, they are advised to take a semester drop for the Winter Semester, 2022.**
- G. Teaching Assistantship for all eligible Research Scholars and MTech/MDes/MS(R) will be released **only when they return to the campus and discharge their duties satisfactorily.** While this is already applicable for all Research Scholars, this will be implemented for all students of MTech/MDes/MS(R) effective from the beginning of the Winter Semester, i.e., 04.01.2022.

The above is issued with the approval of the competent authority.
