**NOTICE**

**Submission of APAAR / ABC ID - Mandatory for All Students**

This is for information to all the undergraduate, postgraduate, and doctoral students that every student in India is required to register for APAAR ID - a unique 12-digit code to digitally store, manage, and access all their academic credits, including degrees, diplomas, certificates, training details, and co-curricular accomplishments. This ID functions as a digital identity for the student in the realm of education.

APAAR, which stands for Automated Permanent Academic Account Registry, is a specialized identification system designed for all students in India. This initiative is part of the 'One Nation, One Student ID' programme launched by the Union government, aligning with the new National Education Policy of 2020.

Linked to the Academic Bank of Credits (ABC) via the APAAR ID, it receives academic credits from institutions through the National Academic Depository. The APAAR/ABC ID can be generated through your DigiLocker account by going directly to the DigiLocker website or by the Academic Bank of Credit website. The link for ABC website is <https://www.abc.gov.in> where video tutorial is also provided for how to create the APAAR/ABC ID through your DigiLocker Account.

Once the APAAR ID is generated, please submit the same through the Academic SSO portal (<https://academic.iitg.ac.in/ssol/>). The last date of submission is **10 December 2024**.

This is issued with approval of the Competent Authority.
