

Student Achievements

1. **Rashmi S** (2024) for bagging Best Poster Award (Third prize) in the event held at CMC Vellore for her poster titled “Karanjin as a promising antiviral against NDV – insights from in-vitro, in-silico, and in-ovo studies”. Winter Symposium & SouthZone MICROCON 2024, Christian Medical College, Vellore, Tamil Nadu, India, February 01-03, 2024, pp 69.
1. **Rubeka I** (2024) as Finalist in ICA Food Writing Prize 2024 for her paper title “Unveiling the tapestry of Black rice of Assam and Manipur, India”, on the theme of the Compendium: "A Fine-Grained Heritage- Rice in India’s historical, cultural and aesthetic landscapes" , by Indian Culinary Agenda (ICA), 6-7th of April 2024 at the India International Centre, Delhi.
2. Finalist Team ‘**BHEEMA**’ (**Biochar Based Hydrological Enzyme Regulated Efficient Mechanism for Antibiotics Removal**) comprising of **Nuzelu** and **Sonu** from ABL Group along with Anamika and Debaditya from AEL in the Prestigious Vishwakarma Project (Jan 2024) organized by IIT Delhi in partnership with Maker Bhavan Foundation and the WIN Foundation. Received cash prize and certificate.
3. **Nuzelu** (2022) **Best Flash Presentation and Poster award** in International Conference on Biotechnology, Sustainable Bioresources and Bioeconomy, Indian Institute of Technology Guwahati, Assam, India December 7 -11, 2022.
4. **Rubeka I** (2022) **First prize- Scientific Quiz** in Technical Workshop on Scientific Writing (7th Dec, 2022) by Prof. Eldon R Rene, The Institute of Water Education, The Netherlands at International Conference on Biotechnology, Sustainable Bioresources and Bioeconomy Indian Institute of Technology, Guwahati, India December 7-11, 2022.
5. **A Senapati** (2022) **Best Poster Award** in 1st Northeast Research Conclave in poster titled “ Floral Diversity of North Guwahati region with special reference to traditionally used medicinal plants” 20-22 May IIT Guwahati
6. **Rubeka I** (2022) **Best Oral Paper** in Research and Industrial Conclave Integration for paper titled “**A study on black rice of India: It's current status, evolution and properties**”, IIT Guwahati, 20-23 January 2022.
7. **Rubeka I** (2022) PhD scholar from School of Agro and Rural Technology selected for the Prestigious PMRF Fellowship.
8. **G Bhatt** (2019) **Best Poster Award** in 4th International Conference on Nutraceuticals and Chronic diseases in poster titled “Insight into Estrogen receptor α (ER α) and ligands (estrogen, karanjin) interactions using computer simulations” 23-25 Sep IIT Guwahati.
9. **I Chakrabartty** (2019) Augmenting Writing Skills for Articulating Research (**AWSAR**) **Award** by DST, Govt. of INDIA, for the Best Science Story in the PhD category. Science stories "The life-changing pullei".
10. **MK Gupta** (2019) **Best Research Scholar Award**. Best Award in research Conclave for poster titled “3,5-dihydroxy-4’7-dimethoxyflavone: structural characterization, enzyme kinetics, and *in-silico* approach against melanogenic activity”, Indian Plant Science Congress (IPSC’19), 23 - 25 January 2019, pp 115.
11. **I Chakrabartty** (2018) **First prize and Springer award** for oral presentation titled “*Alpinia nigra*: The unexplored ore of Zingiberaceae Indo- Japan Bilateral Symposium on Future Persepective of Bioresources Utilization in North-eastern India 1-4 Feb 2018.

12. **I Chakrabartty** (2017) *1st Prize in Best Poster* Category for poster titled “Viability assessment of bacteria under the treatment of (E)-labda⁸(17), 12-diene-15, 16-dial, a bioactive compound from the seeds of *Alpinia nigra*”, TRNPTU, IASST Guwahati, 21 November 2017.
13. **A Singh** (2016) *Best poster Award* for the poster titled “Synthesis, *in silico* studies and *in vitro* evaluation for antioxidant and antibacterial properties of diarylmethylamines: a novel class of structurally simple and highly potent pharmacophore”, 9th TCS Annual Symposium and Workshop on Flow applications in Basic, applied and Clinical Biology “FABACTCS 2016, 3-5 November, 2016.
14. **A Singh** (2015) *Best Poster Award* for the poster titled “Characterization of bioactive karanjin from seeds of Karanj”, International Conference on "Medicinal Plants and Herbal Drugs for Human" Chennai, 29-31 January, 2015.
15. **I Chakrabartty**, L Rangan (2017) *Departmental Winner in Best Poster* Category for poster titled “(E)-labda-8(17), 12-diene-15,16 dial from *Alpinia nigra*: Is it a potential agent against *Candida albicans*? 3rd Research Conclave, IIT Guwahati, 16- 19 March 2017, pp 106.
16. **R Das** (2014) *Prof Awtar Krishan Flow Award* (Second Prize) during TCS Workshop at Cachar Cancer Hospital jointly organized by TCS, IITG and Krishnamurthy Res Center, Cachar Hospital, 10-11 November, 2014.
17. **AM Ramesh** (2014) *Young Scientist Award* for paper titled “Characterization of a stearyl-acyl carrier protein desaturase gene from potential biofuel plant, *P. pinnata*”, National conference on Science of Omics For Agricultural Productivity: Future Perspectives, G.B. Pant University of Agriculture & Technology, Pantnagar, 4-6 March, 2014.
18. **S Basak** (2014) *Poster Award* on poster titled “Genetic diversity and nuclear DNA content in Turmeric of Northeast India”, National conference on “Perspectives & Trends in Plant Sciences and Biotechnology (PTPB-2014)”, Punjab University, Chandigarh & Society for Plant Research, 21-23 February, 2014.
19. **S Ghosh** (2012) full *travel support and assistance* from ICS-UNIDO for participating in workshop titled “Extraction and modification of bioactive components and specialty chemicals from plants”, Anadolu University, Eskisehir-Turkey, Organized by ICSUNIDO, 23 to 27 April 2012.
20. **V Kesari** (2012) *Young Scientist Award* instituted by Indian Science Congress Association (*ISCA*) for the year 2011-2012 in the area of ‘Agriculture and Forest Science’ for her doctoral work on Pongamia. The award carry a sum of Rs. 25,000/- besides a certificate of merit which will be conferred to Dr Kesari during 99th Indian Science Congress to be held at KIIT University, Bhubaneswar, 7 January, 2012.
21. **Tushar** (2011–2012) was selected for the prestigious *Fulbright Nehru* Doctoral and Professional Research (FN-DPR) *Fellowship* by United States- Indian Educational Foundation (USIEF) as Fulbright Scholar. The fellowship provides an opportunity to conduct research and gain practical work experience in suitable settings in the US related to Student Doctoral program.
22. **S Ghosh** (2010) *Second best poster Award* presented at Biodiversity and Climate Change 2010, International workshop, IIT Kharagpur.
23. **S Ramachandran** (2010) *Best Poster Award* in 2nd Edition of Indian Youth Sciences Congress, SRM Chennai Section-- Energy and Environment.

24. **V Kesari** (2008) received *DST Overseas Travel Award* to Present paper in TWAS Malaysia.
25. **V Kesari** (2009) received *CSIR SRF Fellowship*.
26. **V Kesari** (2008) *TWAS best Paper Award* for paper titled “Food, Feed and Biofuels- Plants for the Future”, TWAS Regional South East Conference for Young Scientist, Malaysia, 2-5th November.
