

13th INDO-US CYTOMETRY WORKSHOP

MILLER
SCHOOL OF MEDICINE
UNIVERSITY OF MIAMI

8th to 10th October, 2012

Applications of flow cytometry in nanotechnology
and plant genomics

Department of Biotechnology

Indian Institute of Technology Guwahati, Assam, India

The Concept

The INDO-US Cytometry Workshops (www.cytometryworkshops.com) are held annually to interface basic and clinical researchers with experts in flow cytometry from India and abroad. This three day workshop will present lectures, tutorials and wet labs to review and demonstrate the basics of flow cytometry with key applications.

Eligibility

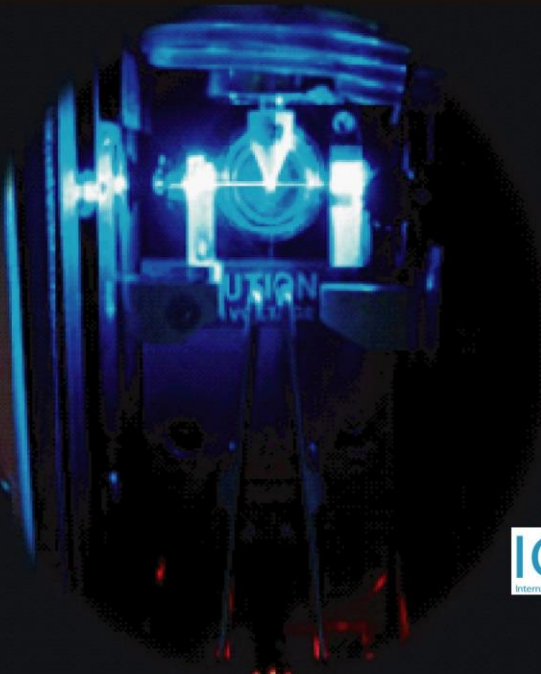

Graduate students, post-doctoral researchers who wish to learn the latest methods in laser flow cytometry and its applications.

Registration

Application along with bio-data should be sent to lucw2012@iitg.ernet.in before the deadline of 15th August 2012. Selected candidates will be informed by 30th August 2012. The selected candidates will pay registration fee of ₹ 8000/- (to cover tuition) before 10th September 2012.

Invited Faculty

Awtar Krishan, USA
Alok Dhawan, India
H. Krishnamurthy, India
Padma Narayanan, USA
Paresh Jain, India
Sumeet Gujral, India
Vincent Shankey, USA
Vivek Tanavde, Singapore

Organizers

Awtar Krishan
Latha Rangan
H. Krishnamurthy

Support

International Society for Advancement of Cytometry
International Clinical Cytometry Society
Department of Biotechnology, Govt of India
