

Workshop on 'Frontier Energy Research with Industry-Academia Partnership'

March 20-21, 2015

Centre for Energy, IIT Guwahati

Centre for Energy, IIT Guwahati is organizing a workshop on 'Frontiers in Energy Research with Industry-Academia Partnership' to provide a suitable platform to identify the scope for involvement of industrial and R&D organizations on frontier technology oriented interdisciplinary energy research with academic institutes by identifying future research priorities and supportive programmes for developing human resource.

Thematic areas

Biomass and
Bioenergy

Petroleum and Coal
Energy

Fuel Cell
Technology and
Solar/Wind Energy

Energy Efficiency
and Storage

Human Resource
Development for
Industrial and R&D
Sectors

Participation

Scientists,
academicians,
research scholars,
entrepreneurs, and
trainees from
industry, academia
institute, R&D
organizations and self
employed group and
NGOs.

Activities of the workshop

Lecture sessions on
thematic areas

Poster presentations

Brainstorming
sessions (from basic
theoretical aspects to
final applications
and HRD)

Coordinator:
Professor P. Goswami

Convenors:
Professor V.K. Dubey
Dr. V.V. Goud
Dr. D. Das
Dr. K. Kalita

Organizing secretaries
Dr. L. Barbora
Mr. Dhiren Huzuri
