Organic

Materials

Nano

Inorganic

Biological

Theoretical

Physical

Interdisciplinary

Polymers

Peptides

## Patron

Professor Gautam Biswas  
Director, IIT Guwahati

## Chairman

Professor B. K. Patel  
HOD, Dept. of Chemistry  
IIT Guwahati

## Conveners

Dr. Sandip Paul

## Co-convenor

Dr. Subhendu Shekhar Bag  
Ph: +91-361-2582324,  
Email: [ssbag75@iitg.ernet.in](mailto:ssbag75@iitg.ernet.in)

Dr. Lal Mohan Kundu

Ph: +91-361-2582326,  
Email: [lmkundu@iitg.ernet.in](mailto:lmkundu@iitg.ernet.in)

## Local Organizing Committee

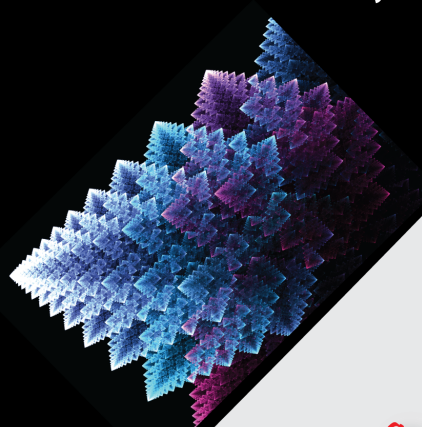

All faculty members of Department of Chemistry  
IIT Guwahati

## Contact:

Dr. Sandip Paul

IIT Guwahati  
Ph: +91-361-2582321,  
Email: [sandipp@iitg.ernet.in](mailto:sandipp@iitg.ernet.in)

The Department of Chemistry, Indian Institute of Technology Guwahati is organizing a National Conference on Frontiers in Chemical Sciences (FICS - 2014) from 4th - 6th December, 2014. Started in 2010, this biennial conference intends to bring together the eminent scientists, technologists and young researchers from across the country to provide a common platform for discussing their achievements and newer directions of research in the field of Chemical Sciences. This year being the International Year of Crystallography, along with all other branches of Chemistry, two complete sessions will be dedicated to crystallography.

*Celebrating*  
*International Year of Crystallography*

**TWO FULL SESSIONS DEDICATED**
