

## **PhD Topics for January – 2021 semester**

For details, you may contact me at: [akdm@iitg.ac.in](mailto:akdm@iitg.ac.in)

- **Computational Drug Design/Discovery for Alzheimer's and Parkinson's disease – Molecular Dynamic Simulation and Machine Learning Approach**
- **Electro-conductive Hydrogels for Biomedical Applications**
- **Electro-conductive Polymer Nanocomposites for Sensing and Energy Harvesting**
