

8th ASIAN CONFERENCE ON MECHANICS OF FUNCTIONAL MATERIALS AND STRUCTURES

14 December, 2022

Session Co-ordinator

Dr. Biranchi Panda
IIT Guwahati

Conference Chair

Prof. Santosha K. Dwivedy
IIT Guwahati

Conference Secretary

Dr. Poonam Kumari
IIT Guwahati

Session on Underwater Engineering

In associate with TIH- Technology Innovation
hub

Objective of the Session-

→To make the participants aware of different career opportunities in industries and academia.

→To acquaint the participants with the concept of various technology, numerical/analytical modelling of different processes and their specific applications in underwater engineering.

→To create a common interface for interaction of academia and industry thereby promoting industry-academia collaboration for accomplishing a common goal.

Session Date- 14th December,2022

Timing- 10:00 AM to 5:30 PM

Venue: Conference Hall-3; IIT Guwahati

Registration Fees: 800+144(18% GST)
=Rs.944/-
(including one day lunch, kit and certification)
