

# IEEE Symposium on Frontiers in Optics and Terahertz Photonics (FiOTP)

Indian Institute of Technology Guwahati, Guwahati, India

## INVITATION

The IEEE Photonics Society Student Chapter, IIT Guwahati is organizing the IEEE symposium on **Frontiers in Optics and Terahertz Photonics (FiOTP)** on 12<sup>th</sup> May, 2023. IEEE FiOTP will be a day-long event in the serene campus of IITGuwahati, and will involve talks by eminent speakers from the field of optics and photonics. We invite registration from interested participants for the event. The primary aim of IEEE FiOTP is to provide a platform for bringing together experts and students from the field of "Light Science", in an effort to highlight novel contributions, discuss challenges, and motivate innovation in the field of Photonics. Topics of interest include but are not limited to:

**Registration Fee: Rs 600 (Indian), USD 200 (foreign participants)**  
(Includes participation, tea, and lunch)

**Registration Deadline – 28 April, 2023**

For registration and other details, please visit: <https://www.iitg.ac.in/clubs/ssphotonics/FiOTP-2023.html>

**Note: Registration is mandatory for participation**

Organized by: IEEE Photonics Society Student Chapter, IIT Guwahati
