

IEEE 2nd Symposium on Frontiers in Optics and Terahertz Photonics (FiOTP)

May 13, 2024

Indian Institute of Technology Guwahati, Guwahati, India

INVITATION

The IEEE Photonics Society Student Chapter, IIT Guwahati is organizing the IEEE 2nd symposium on **Frontiers in Optics and Terahertz Photonics (FiOTP)** on 13th May, 2024. IEEE FiOTP will be a daylong event in the serene campus of IIT Guwahati, and will involve **talks by eminent speakers** from the field of **optics** and **photonics**. The event will also include **laboratory visits**. We invite registration from interested participants for the event. The primary aim of IEEE FiOTP is to provide a platform for bringing together experts and students from the field of "**Light Science**", in an effort to highlight novel contributions, discuss challenges, and motivate innovation in the field of Photonics. Topics of interest include but are not limited to:

Registration Fee: Rs 600 /-
(Inclusive of participation, tea, and lunch)

Registration Deadline – 30 April 2024

For registration and other details, please visit: <https://www.iitg.ac.in/clubs/ssphotonics/FiOTP-2024.html>

Certificates will be provided to all registered attendees

Note: Registration is mandatory for participation

Organized by: IEEE Photonics Society Student Chapter, IIT Guwahati
