General Instructions:

1. Before academic registration, the list of courses to be offered (compulsory and elective) should be announced with their corresponding slots in which the classes for those courses are scheduled.
2. When scheduling the courses in slots, please keep in mind the fact that the backloggers will be registering for such courses and make the schedule keeping this in mind.
3. First and third year B.Tech./B.Des. courses should be scheduled in the afternoon session and second and fourth year B.Tech./B.Des. courses should be scheduled in the morning session.

Instructions regarding Examinations:

1. The schedule of mid semester and end semester examinations will be automatically fixed according to the slot in which the course is scheduled. This examination time table will be fed into the software before academic registration. The students cannot register for two courses if the exams of these two courses are scheduled for the same session. They have to mention the exam slot during the registration.
2. For B.Tech./B.Des., the examinations of **first** year and **third** year courses will be scheduled in the **afternoon** session (2 - 4 for mid sem, 2-5 for end sem). Similarly, the examinations of **second** year and **fourth** year courses will be scheduled in the **morning** session (9-11 for mid sem, 9-12 for end sem).
