ZEDROIT Academy

ABOUT ZEDROIT ACADEMY

Zedroit Academy stands out as the go-to destination for mastering the nuances of data privacy. As an extension of Zedroit Global Solutions, a trusted leader in data privacy services, we're committed to equipping individuals with the practical skills and knowledge needed to excel in this crucial field.

Our mission is to bridge the gap between theory and practice by offering comprehensive courses with highly valued credentials designed to empower professionals and individuals in data privacy domain.

# Zedroit Academy
in collaboration with
EICT, IIT Guwahati

Zedroit Academy signs MoU with **EICT, IIT Guwahati** (supported by the **Ministry of Electronics and Information Technology (MeitY), Government of India)** to jointly provide India's most valued privacy training and DPO certification by the name '**Certified Data Protection Officer (CDPO-Z)**'.

BENEFITS OF THIS COLLABORATION

➢ **Access to a cutting-edge data privacy course developed by industry experts and academia.**

➢ **Validate your skills with a certification recognized by a leading institute and become a sought-after data privacy professional in the job market. .**

➢ **A deep understanding of data privacy laws and regulations, as well as the technology behind data privacy from the best minds in both the fields.**

➢ **Gain insights into government policies and regulations surrounding data privacy as the program is in collaboration with EICT, which is supported by MEITY itself, the government ministry responsible for data privacy regulations. This gives the program credibility and ensures that you will be learning from the best.**
