tridibmj@gmail.com

I am a PhD scholar and my current research interests broadly lies in the areas of urban anthropology, human geography and sociologies of gender, identities, and resistance. I have previously engaged with research projects that broadly lay in diverse areas such as healthcare, education, and media. I have more than 3 years of experience in doing fieldwork, and my academic training and fieldwork experiences together have fostered and facilitated a deep understanding and rigorous documentation of various kinds of qualitative and quantitative data.

EDUCATION

WORK EXPERIENCE

The YP Foundation

Research Consultant; September 2024

- Prepared a detailed report on Experiences of Violence on College Campuses for the YP Foundation's Campus Caravan programme.
- Used rigorous data analysis methods on SPSS to prepare key findings from a quantitative survey on experiences of various forms of violence across two college campuses of Jaipur.
- Facilitated a Consultative Workshop-cum-Focused Grouped Discussion with a selected cohort of participants from these colleges.

- Ideated solutions for prevention of violence and creating safer campuses based on key findings of the report and in consultation with guidelines of the UGC and other such statutory bodies and committees.
- Prepared the YP Foundation's Campus Caravan's Policy Document titled, *Recommendations for Safer, Inclusive and Violence Free Campuses: A Youth-led Policy Guide*.

Durbar Mahila Samawaya Committee

Research Intern; December 2019-January 2020

- Demonstrated my ability to effectively lead and advocate as a part of the Self-Regulatory Board to ideate and develop policy solutions for preventing sex trafficking.
- Conducted M&E for DMSC's domestic workers' rights forum, Durbar DISHA, for the assessment of social security of the domestic workers.

South Asian Forum for Environment

Intern; May 2018-June 2018

- Participated in an internal impact assessment survey for the UN award winning WASH-US (Water Sanitation and Hygiene for Urban Slums) project in Kalikapur, Kolkata.
- Designed survey tools and questionnaires for surveys on plastic-usage, followed up with extensive field surveys in the periphery of Kolkata.

PROJECTS AND FIELDWORK

- Ongoing PhD fieldwork in Northeast India's only red-light area in Silchar, Assam, involving a year-long ethnographic study.
- Fieldwork in Sonagachi red light area, Kolkata during the COVID pandemic (September-November'20; March-April'21; March'22)
- Participated in a gap-assessment survey on sanitation in the public-funded and state-run schools of Guwahati, Assam under the guidance of Dr. Rajdeep Singha, Assistant Professor, TISS, Guwahati, as a part of a CSR project for Habitat for Humanity (2019).
- Participated in a demographic survey funded by the Government of Assam – Assam Inlands Waterways Sector Study on Gender and Trade – under the guidance of Dr. Abhinandan Saikia, Assistant Professor, TISS Guwahati (2018).
