

## **Student Achievement**

Wendy Lalhminghloi, Research Scholar has received two grants to attend Interspeech 2019 in Graz, Austria. The grants received are from the International Speech Communication Association (ISCA) and Microsoft Research India and they consist of support of €650 and ₹75000, respectively. The support is for presenting her joint work with Viyazonuo Terhijja titled “Tone Vowel Interaction in Two Tibeto-Burman Languages”.
