**Revised Rules and Regulations for Payment of Patent related expenditure**

As per the revised guidelines, the Institute's support for expenditure related to patent filing for the current financial year (2020-21) is increased from Rs. 30,000/- or 50% (whichever is less) to full refund with a cap of Rs. 2,00,000/- for per applicant.

**Procedure to apply for the reimbursement/payment of patent related expenditure**

The applicants need to submit the application (Form No. M17) to the office of **Dean, Industrial Interactions and Special Initiatives (II&SI)** with all relevant documents (bills and other supporting documents). The office will process the application. After approval of Dean (II&SI), it will be sent to **F&A section** for payment.
