**Item No.8**

**Availing Private Airlines facility by the Director, IIT Guwahati:**

The Board was informed that, Director of the Institute has to frequently travel in and out of Guwahati to meet his various other official commitments. In this circumstance, to abide the rule that in all cases of air travel, both domestic and international, where the Government of India bear the cost of air passage, the officials concerned may travel only by Air India (cited in the Office Memorandum F. No. 19024/1/2009-E-IV date 13.07.2009 of Ministry of Finance), becomes very difficult because it is known that Air India flight connectivity between Guwahati and other places of India is very limited. However, the connectivity by Private Airlines between Guwahati and other places in the country is quite well comparative to the Air India flights. As such the use of Pvt airlines enables one to minimise absence from headquarters without hampering official duties/time.

In view of the above to reduce the period of absence of the Director from headquarters and for smooth running of the Institute, it was proposed that Director of the Institute may be allowed to avail travel by Private Airlines during his official visits.

The Board was requested to consider and approve the above proposal.
The Board discussed the matter and was of the opinion that for the reasons mentioned in the proposal (poor connectivity of Air India) and minimum absence from the headquarters, the Director be allowed to travel by Non Air India Flights.

However as commented by the Ministry of HRD vide its letter no. F. No. 6-812018-TS.I dated 16.08.2019 exemption of Travelling by Air India is to be given by Joint Secretary & Financial Adviser of the Ministry and accordingly a proposal in this regard is to be sent. As such Board advised to send the proposal to the Ministry for getting exemption from using Air India service.

Resolution No: R_98BOG/08/2019:

The Board ADVISED to send the proposal regarding availing of Private Airlines facility by the Director to Joint Secretary & Financial Adviser as suggested by the Ministry of HRD.

Item No. 9

Approval to the Proposal to increase room rent of Married Scholars Hostel (MSH):

The rate of room rent of Married Scholars Hostel was last revised in 2012. Considering the long span of 7 years gap from the last revision and also taking into account that the scholarship of the Research Scholars was revised recently, a proposal to increase the hostel fee paid by the MSH residents against the items as detailed below is placed before the Board:

</tbody>
</table>

15% room rent be increased after 3 years of continuous stay in MSH by a resident.
It was also proposed that 15% room rent be increased after 3 years of continuous stay in MSH by a resident.

The Board discussed the matter and approved the proposed to increase the rate in the rent and introduction of maintenance charge by making the total hostel fee for the residents of Married Scholars Hostel (MSH) be Rs.2500/- per month (excluding electricity charges).

Further, instead of an increase of 15% at the end of three years as proposed, the Board decided to increase the rent at the rate of 5% every year (rounded off to nearest multiple of ten) and resolved as below:

Resolution No: R_98BOG/09/2019:

RESOLVED to APPROVE the following:

i. Increase in the rate of rent for Married Scholars Hostel (MSH) to Rs.2500/-per month excluding electricity charges. [Rent =Rs.1500 per month+ Maintenance charge= Rs.1000 per month]

ii. The rent is to be increased every year by 5% rounded off to nearest multiple of ten.

iii. The increased hostel fee is to be charged uniformly from all residents of Married Scholars hostel with effect from January 01, 2020.

Item No. 10

Approval to the proposal to increase in the amount of fee in certain components of Students’ admission fee and Semester fee for all students–new and continuing:

In the 93rd BOG meeting held on 24.06.2018, a resolution (R_93BOG/05/2018) was taken regarding increase in the rate in some of the components of Student’s Admission and Semester fee as it was not revised for more than ten years.

Consequently, Student’s Admission fee and Semester fee across all academic programmes from the Academic Year 2018-19 onward was revised.
However, the proposal of increase in the fee was confined only to the new batch of students joining IIT Guwahati in the academic year 2018-19 and thereafter. The increase in the fee was not applied to all continuing students who joined the academic programmes of IITG before the academic year 2018-19.

Now it was proposed that the revised fee structure be applicable to all students-new and continuing from the Semester starting on January 2020, as all facilities are used by all students and not only by a particular batch.

The Board was requested to consider and approve.

The Board deliberated on the matter and noted that the increase in fee as approved in its 93rd meeting held on 24.06.2018 was applicable only to the new students taking admissions from academic session 2018-19 onwards. The Board OPINED that it should not be applicable to the continuing students who joined their academic programmes before the academic year 2018-19. The Board resolved as follows.

Resolution No: R_98BOG/10/2019:
RESOLVED NOT to APPROVE the proposal of charging revised / increased fee from all continuing students who joined their academic programmes before the academic year 2018-19.

**Item No.11**
Approval to the proposal of purchase of a new official vehicle for the Director by replacing the existing one:

The official car for the Director of the Institute, Maruti Suzuki Ciaz, was purchased on 02.12.2014. It is around five years old and has run more than 75000 kms. Due to its continuous use, the condition of the car had deteriorated over the years and became of source of constant worry. Due to frequent movement of the Director, it was proposed to purchase a new vehicle for the Director replacing the existing one under the buyback scheme.

MHRD commented that the purchase of vehicle be done strictly in the line with
Department of Expenditure OMs dated 06.08.2014 and 29.10.2014. Director, IIT Guwahati who was also chairing the meeting expressed his unwillingness to discuss on this agenda in absence of regular Chairperson of the Board of Governors.

The Board considered the views of the Director and resolved as below.

**Resolution No: R_98BOG/11/2019:**

RESOLVED to defer the item till the regular Chairperson of the Board of Governors and Finance Committee of IIT Guwahati is appointed.

**Item No. 12**

**Disciplinary/Legal matters related to the employees/students of IIT Guwahati:**

**A. Summary of the all matters relating to Dr. B.K. Rai**

**Altercation with Dr. B.Anand:** The problem with Dr. B.K. Rai started with his first set of complaints which he made as to noise caused in his neighbourhood by the children of the nearby quarters and which he vigorously pursued by writing to Director on 3.10.2017. Further to that, a parallel complaint was lodged by his wife to the Internal Complaints Committee (ICC) of the Institute. Since it was not an ICC related complaint, it was conveyed, as to its refusal for taking it further. In the meanwhile, on 23.09.2017, Dr. B.K. Rai out of sheer vengeance, hit Dr. B. Anand, his neighbour over this very trivial issue of children making noise without any provocation from Dr. Anand. Dr. Anand was to be given medical aid and he along with some of his neighbours have lodged a complaint with the authorities for alleged severe breach of discipline necessitating for a preliminary inquiry. The preliminary inquiry found Dr. Rai to be at fault on many a counts. Therefore, Administration had to take up its next disciplinary proceedings by serving him Show cause Notice. His attitude all along has been arrogant and his approach to reply the Show cause notice was very revengeful. Therefore, the Administration, was left with no option but to institute, an inquiry with one outside member. The Committee found him very uncooperative all along and he has been showing serious disregard and even in the mood of criticizing and humiliating the members. The Committee therefore had to abruptly terminate its proceedings and
filed a report stating his wayward behaviour. *There were no specific findings of the committee.*

The matter was referred to the BoG. The BoG in its wisdom felt the need of imposing sternest action of dismissing him for his proved severe illegal action. Therefore, as required under the rules, a final show cause notice before imposing a major penalty has been served upon him.

**FIR filed against Dr. Rai**

A criminal case instituted by Dr. B. Anand against Dr. B.K. Rai is under trial in the Court of appropriate jurisdiction as police has reportedly filed a charge-sheet.

**A Writ Petition in Delhi High Court**

In the meanwhile he has tried to twist the judicial process by filing a Writ Petition in Delhi High Court on frivolous and malafide charges. The basic idea in his move was to deraile the due process of law and delude the honourable court in which he miserably failed as the case was dismissed on grounds of jurisdiction.

**Suspension**

During the pendency of the show cause, Dr. Rai resorted to another set of indiscipline by sending derogatory mails criticizing Institute’s authorities on different areas thereby causing an environment of total indiscipline. Left with no alternative, he was placed under suspension, and his email etc. were temporarily restricted.

**ISRO matter :** Dr. Rai entered into another controversy by writing an email to the ISRO Chairman with a series of allegations of corruption, nepotism and favouritism in a ISRO funded project, mainly aimed at the Director of the Institute. A formal disciplinary proceedings was initiated. The findings of the committee are as below:

*That Dr. Rai by writing to ISRO questioning the recruitment of some research associate was found to be adverse, unfounded and unwarranted. He has been found to be on various wrongful acts which proved the charges of the charge-sheet on his severe misdemeanour.*
A final show cause notice before imposing a major penalty has been served upon him as required under the rules.

**Dereliction of Duty:** In the meanwhile, Dr. Rai, has started disregarding his duties and was into the habits of attacking the Institute and its various functionaries in the eyes of the public. He also gave scant regards to the rules by deliberately and unauthorized leaving his workplace during the suspension period. For dereliction of duty departmental proceedings was initiated. The findings of the committee are as below:

*That all the six charges on dereliction of duty framed against Dr. B.K. Rai are found proved beyond any doubt.*

**High power committee**

All the three disciplinary cases were placed before the 94th BoG and 96th BoG meeting held on 14.11.2018 and 29.03.2019 respectively. The BoG resolved to constitute a High power committee to examine the matters related to the disciplinary proceeding against Dr. Rai and recommend the outcome to the BoG.

**Squabble with Dr. Gaurav Trivedi:** On 02.08.2019, Dr. B.K. Rai, reportedly had an altercation with Dr. Gaurav Trivedi which led to a squabble. A Preliminary Inquiry Committee submitted its report on the incident and found that Dr. B.K. Rai and Dr. Gaurav Trivedi indulged in a heated duel and Dr. Trivedi made provoking remarks about Dr. Rai’s marriage. The Committee also found that Dr. Rai physically assaulted Dr. Trivedi. FIR has been lodged by both the parties in the local police station.

**B. Incident of Dialling 100 by Ms. Jharna Rani Rabha, Technical Superintendent and causing harassment to the Students and Employees**

Ms. Jharna Rani Rabha, Technical Superintendent, Administration, on 09.05.2019 at about 12.30 pm by dialling 100 had informed the police of an incident of fight between students in the department of EEE of IIT Guwahati, an incident, which had never occurred.
Mr. Manjil Das, Security office of the Institute had assisted the Amingaon police in conducting the enquiry. Ms. Rabha was called by the Security officer to the Department to verify the matter. Upon arrival, she accused some staff members and students of causing harassment to her and directed to police to arrest them, without giving any evident to the same.

E. **Disciplinary case of Dr. Rajesh Kr. Srivastava**

Dr. Rajesh Srivastava, Assistant Professor, Dept. of Mathematics, had sent a series of defamatory emails to the faculty members questioning the constitution and integrity of the DFAC. A Preliminary Inquiry Committee found that there were serious violations of the Code of Conduct by Dr. Srivastava. A Disciplinary Committee was constituted, which recommended to place Dr. Rajesh Srivastava under suspension and to issue Show Cause Notice. However, Dr. Srivastava was reinstated based on an apology letter given by him. The HoD, Department of Mathematics again complained to the Director via e-mail on misbehaviour by Dr. Srivastava.

The matter was placed in the 91st BOG meeting held on 02.12.2017 and the Board resolved to issue a Show Cause notice to Dr. Srivastava. The committee constituted to examine his reply recommended that he may be given another
chance by not terminating him from the job. Later again, the HoD, Department of Mathematics submitted documents in support of allegations against Dr. R. Srivastava. A Committee was formed to conduct a fresh inquiry on a fast track mode. The Committee found that although the charges levied against him have been proved, but these do not warrant severe disciplinary action as contemplated in the show cause notice.

The 93rd BOG in its resolution requested the Director to proceed with the case and take a final decision on imposition of penalty. A Committee, so formed, submitted its Report with the recommendation to impose minor penalty with a strict warning. The matter was placed before the 94th BoG meeting held on 14.11.2018 wherein the Board resolved to constitute a High Power Committee to review the disciplinary proceedings against Dr. Srivastava. Venkata Dasu and Prof. Utpal Bora had been orally requested to do the needful and submit the report at the earliest. This was also in line with the recommendations of 96th meeting of the Board.

- It was apprised to the Board that, on 13.08.2019, the Institute had served show cause notices to Dr. Gaurav Trivedi and Dr. B. K. Rai based on the report of preliminary inquiry committee on the incident of 02.08.2019.

- The Board advised to get the report of preliminary inquiry committee on the matters related to Ms. Jharna Rani Rabha immediately so that further necessary action can be initiated.
• The Director informed that a committee is being constituted to formulate social media guidelines and policy for the students and employees of the Institute.

• It may be noted that IIT Guwahati, in its efforts to provide more responsive and citizen-friendly services to the public and staff of the Institute, has set up a Grievance Redressal Cell on 16.03.2018 and Prof. P. K. Bora is presently the Director of Staff and Public Grievances, IIT Guwahati.

• The Board had gone through the recommendations submitted by the High Power Committee constituted based on the decision of 96th meeting of the Board to review the matter regarding disciplinary issue in respect of Dr. Rajesh K. Srivastava and decided to award the following minor penalty to Dr. Rajesh K. Srivastava.

**Item No.17**

**Regarding Alumni Fee collection from each student at the time of admission:**
As per decision of the 83\textsuperscript{rd} meeting of the Board held on 26.12.2015, an amount of Rs.1500/- was to be charged from all the final year students of IITG starting from the year of 2016, as Alumni Fee, initially for a period of five years.

However at the time of implementation, there was difficulty in determining final year students in case of PhD programmes, Dual PhD programmes and many M Tech students graduate in delayed manner and some of the UG students take more than four years to graduate.

Therefore, in the year 2016, Rs.1500/- was charged from all continuing students as one-time fee. Further from the year 2016 onward, in the fee structure of new students, Rs.1500/- was added as a one-time fee and charged at the time of admission with the stipulation that in case, if any student discontinues the academic program or he/she is terminated from the academic program, then the Alumni Fee Rs.1500/- will be refunded along with other refundable part of the fees.

The Board was requested to consider and approve charging of Rs. 1500/- from all new students as one-time fee at the time of admission.

The Board was requested to advice on the matter for future course of action like till which year Alumni Fee (one time) is to be charged from the new students at the time of admission.
The Board noted that Rs.1500/- was charged from all continuing students as one-time fee in the year 2016. Further the Board discussed and resolved as below:

Resolution No: R_98BOG/17/2019:
RESOLVED to APPROVE the collection of Alumni fee as one-time fee at the time of admission with a provision that this fee is to be returned to the student, if, he/she discontinues or is terminated from the academic program.

Item No. 18
Empanelment of lawyers:
The Board was informed that presently the Institute has a Standing Counsel who is looking after all court related matters of the Institute and also giving legal advices on various issues as and when required by the Institute.

However with the increase in number of litigation and diverse nature of such litigation it is felt that an empanelment of lawyers who has expertise in different fields will serve the requirement of the Institute in a better way.

As such it was proposed to make a panel of at least three eminent lawyers who can help the Institute in the legal matters of the Institute instead of the single legal counselor that Institute have presently.

The Board was requested to consider and approve.

The Board discussed and resolved as below:
Resolution No: R_98BOG/18/2019:
RESOLVED to APPROVE the proposal for empanelment of lawyers to help the Institute in the legal matters.

Item No. 19

In this Silver Jubilee year of IIT Guwahati it is pertinent to mention that, IIT Guwahati has escalated in the National and International ranking in the recent years. It has been improved remarkably and seek to be recognized amongst the top 10 Institutions worldwide in the coming years. To materialize this vision as a resolution of Silver Jubilee celebration and to outline the ambitious plan for the Institute, like creating various Institute Chair for Professor in different Departments in the name of the Individual or in the name of the sponsoring organization, Infrastructure development, to further promote breakthrough research and other general/teaching/research facilities for the entire IITG fraternity, it is pertinent to generate corpus fund from the CSR grants and other well-wishers including individuals. The activities, other than the defined activities by the donors, and the detailed mechanism on utilization of the corpus fund will be worked-out in consultation with the appropriate authority.

The Board was requested to consider the above the proposal.

The Board discussed the matter and made the following observations.

- A separate account may be created for this purpose.
- The fund received/ collected for general purpose may be utilized for the welfare and development activities of the Institute.
- If the fund is collected for any specific purpose from the donors then it is to be utilized for that purpose.
- The donors may have various options/ purposes to donate like Research, Infrastructure development, Prizes, Awards, Scholarships, etc.

The Board discussed and resolved as below:

Resolution No: R_98BOG/19/2019:

**Item No.7**

Decision on the matter of Mr Hemant Kumar, Roll No 164107053 an M Tech Student of Chemical Engineering, IIT Guwahati who was terminated from the academic programme on the ground of collective breaches of disciplinary regulations:

The Board was informed that several complaints of unpredictable and aggressive behavior were reported by students against Mr. Hemant Kumar, an M Tech Student of Chemical Engineering Department bearing Roll No 164107053. Mr Hemant had violated the recommendations forwarded by the Students’ Disciplinary Committee (SDC) many times, yet on humanitarian ground he was allowed to stay in the hostels after receiving his repeated appeals for the same on temporary basis.

Subsequently, complaints from two girls (one unknown and other from IIT Bombay) were received as per which Mr Hemant was sending them illicit messages and emails. Though Mr Hemant denied the accusation in the first case (unknown girl) but in the other case Mr. Hemant admitted to have sent those messages before the Internal Complaints Committee (ICC) of the Institute. In the meantime Mr. Hemant was allowed to appear in his end semester exam but was not allowed to stay in the hostel during the time and appeared in his examination by staying outside of the campus. The ICC found the statements of Mr. Hemant related to his state of mind contradictory and recommended to impose strict penalty on Mr. Hemant. Mr. Hemant was terminated from his academic programme of the Institute owing to collective breaches of disciplinary regulations mentioned above.

After receiving innumerable appeals from Mr Hemant and his father for his reinstatement in the Institute the matter was placed in the 136th Meeting of the Senate. The 136th Senate
constituted a committee with Dean of Students’ Affairs as the Convener to look into the matter.

The Committee thus constituted by the Senate in its 136th Meeting met on 01.01.2019 and send its recommendations for re-instatement of Mr. Hemant Kumar with certain conditions. On 22.01.2019 the recommendation of the Committee with approval of the Director was forwarded to the Academic Affairs to be placed in the Senate. However in the meantime, a letter was received from Head Chemical Engineering conveying strong objection by the departmental faculty members and were against the reinstatement of Mr. Hemant.

In view of the above, Board was requested to take a decision on the issue of Mr. Hemant Kumar, Roll No 164107053 an M Tech Student of Chemical Engineering, IIT Guwahati.

The members of the Board deliberated on the matter. The Board noted that despite disciplinary lapses on the part of the student, the Institute has taken steps so as to allow Mr. Hemant Kumar to complete his Academic Programme.

Considering the present status of the case, the Board resolved as follows:

Resolution No:R_97BOG/07/2019

The Board ADVISED that the committee constituted by the Senate may relook into its recommendations by taking into the consideration of the concerns of the Chemical Engineering Department.

Item No. 8
Change in designation of ‘Faculty-In-Charge, Technology Incubation Centre’ of IIT Guwahati (IITG-TIC) to ‘Chairperson, Technology Incubation Centre’ of IIT Guwahati:

The Board was informed that since its inception IIT Guwahati’s Technology Incubation centre (IITG-TIC) has proved to be one of the most visible incubation centre in the North East India.
The Board was apprised that, in spite of this promising trend shown by IIT Guwahati’s Technology Incubation centre (IITG-TIC), the terminology of Faculty In Charge, TIC as the Official Head of IITG TIC is proving to be a kind of hindrance, when during interactions with different agencies and organizations outside the IIT Guwahati, they needed to explain the position of “Faculty In-Charge, TIC as an official head of IITG TIC.

Hence, considering the increasing quantum of work and future expansion; it is proposed to change the nomenclature from “Faculty In charge, Technology Incubation Centre” to “Chairperson, Technology Incubation Centre”.

Governing Body of IITG-TIC in its BOG meeting held on 16.05.2019, approved the proposal of change of designation as above and recommended that the same be approved by the BOG of IIT Guwahati.

The Finance Committee deliberated on the Fund position as well as the expenditure till 05-08-2019. Director, IIT Guwahati expressed that the Institute is contemplating to offer Adjunct Faculty Positions for three years without regular salary to the foreign faculty members who will be vising the Institute under GYAN or other programmes. However, some honorarium may be given to those Foreign Faculty members during their stay at IIT Guwahati, if no honorarium is received from other sources.

It was also discussed to review the SCSP program of the Institute since many students under SC & ST category are getting scholarships and other benefits like laptops etc. from other funding agencies like Ministry of Social Justice and Ministry of Tribal Welfare. An opinion may be sought from MHRD.

The Finance Committee also advised to send a letter to MHRD for allocating additional fund under OH-36 (Salary head) to meet up the deficit.

Finance Committee observed that the no disbursal has been made by HEFA for the sanctioned project “Extension of Academic Complex of CET & CIF”. On this it was appraised to the Finance Committee that original plan of constructing two floors above the CIF building has been changed as the dust and vibration during construction may damage the high end sensitive equipment housed in the existing floors of the CIF building. So, it was decided in the 84th
B&WC to construct two more floors of the CET building in place of existing CIF building. It was informed that the sanctioned cost of the project will not change for the change of location.

Resolution No.: R 41_FC/3/2019:

RESOLVED that the Fund Position under Capital and Revenue head upto 05-08-2019 be NOTED as reported.

Further RESOLVED to increase of Honorarium Budget by Rs.100.00 Lakhs at the RE stage during the current Financial Year.

Also RESOLVED to send the proposal of change of location of the new CIF building to HEFA immediately with intimation to MHRD.

The Finance Committee, further suggested to explore possibilities of handing over the 160 units in 4 blocks of F-type quarters by the contractor in phase manner instead of the entire 4 blocks at a time.

Item No. 4

TO REPORT ON EXPENDITURE OF FEW HEADS UNDER OH 31 (RECURRING EXPENDITURE OTHER THAN SALARY) REFERRED BY MHRD:

The Additional Secretary (TE), MHRD, Govt. of India vide D.O. letter dated 02-07-2019 to the Director communicated a compilation of the following heads of expenditure incurred by different IITs during the Financial Year 2017-18 under OH-31 (recurring expenditure other than Salary) and requested to review the heads where the expenditure was relatively high so that steps could be taken to cut the avoidable expenditure in some cases.

1. Expenditure on Security services of `1317.55 Lakhs
2. House Keeping and Cleaning Services of `840.36 Lakhs
3. Expenditure of Repair and Maintenance of `2143.69 Lakhs
4. Expenditure on Electricity and power Expenditure of `2028.37 Lakhs
5. Legal Expenses of `32.83 Lakhs
6. Medical Expenditure of `593.11 Lakhs
7. Expenditure on Outsourced Staff of `2157.91 Lakhs
It was also requested to discuss these items in the Finance Committee and share the findings with MHRD. The letter of the Addl. Secretary was placed before the Finance Committee.

It was appraised to the Finance Committee that the expenditure heads in question were thoroughly reviewed and analyzed by the institute. The summary of findings and detail justifications of the relatively higher expenditure were placed before the FC for consideration. It was also informed that steps had already been taken to control the expenditure wherever possible particularly on the Security Services. Action plan was made to reduce the security personal by around Fifty in phase manner.

The Finance Committee deliberated the justifications submitted by the institute against the expenditure heads indicated by the MHRD and found the following:

1. Most of the older IITs had permanent employees on the Security, Cleaning, horticulture, Guest House, Medical etc. unlike IIT Guwahati for which the expenditure on Salary in respect of IIT Guwahati was relatively lower.

2. Expenditure on most of the heads like, Security Services, Cleaning Services, Medical, Outsourced Services was relatively higher due to engagement of contract employees with protection of minimum wage and compliance of other statutory provisions.

3. The Income generated from some of the services like, Guest House (part of cleaning expenses), Medical, Electricity etc. was considered as IRG instead of setting off the same against the respective expenditure head.

Resolution No.: R 41_FC/4/2018:

RESOLVED that the justification submitted by the Institute be Noted with the following suggestion:

1. To reduce the security personal to the extent possible without compromising the security of the campus residents.
2. To use more solar energy wherever possible to reduce the electricity expenditure.
3. To install sensor to save electricity in offices, washrooms etc.
4. To change the name of the fee collected from the students under "Medical Insurance" to "Medical Fee"
5. To find out the medical expenditure on students separately.
Item No. 5

TO CONSIDER PURCHASE OF A VEHICLE FOR THE DIRECTOR:

The official car for the Director of the Institute, Maruti Suzuki Ciaz, was purchased on 02.12.2014. It is more than five and half years (5 ½ years) old and has run more than 57000 km. Due to its continuous use, the condition of the car had deteriorated over the years and became a source of constant worry. Due to frequent movement of the Director, it was proposed to purchase a new vehicle for the Director replacing the existing one under the buyback scheme.

MHRD commented that the purchase of vehicle be done strictly in the line with Department of expenditure Oms dated 06-08-2014 and 29-10-2014.

Director, IIT Guwahati who was also chairing the Meeting expressed his unwillingness to discuss on this agenda in absence of the regular Chairperson of the Finance Committee and board of Governors of the institute and also all members of the Finance committee were not present.

The Finance Committee considered the views of the director and resolved as follows.

Resolution No.: R 41_FC/5/2019:

RESOLVED to defer the item till the regular Chairman of the Finance Committee and Board of Governors is appointed.

Item No. 6

Funds under OH-35 would be provided through loan from HEFA and the entire liability of principal and interest would be met by MHRD through additional grant under OH-31.

It was appraised to the Finance Committee that the additional fund to be received under OH-31 and OH-36 for the current financial year 2019-20 may be utilized to cover up the deficit to that extent.

For the Fund allocated under OH-35 of `45.28 Lakhs, the Institute proposed to construct a Hostel for the EWS students to accommodate the additional students admitted in July 2021.

The Finance Committee considered the Proposal and resolved as follows.

Resolution No.: R 41_FC/6/2019:

Resolved that the proposal for construction of a EWS Hostel with the fund allocated by MHRD under EWS be Approved.

Item No. 7

REPORT ON PROJECT IMPLEMENTATION PROGRESS REPORT (PIPR) UNDER HEFA:

It was appraised to the finance Committee that in terms of the credit policy of HEFA for Monitoring of Projects, the Institute had to submit Project Implementation Progress Report (PIPR) on quarterly basis. As such, the PIPR for the quarter ending June 2019 was submitted to HEFA. The Project Implementation Progress Report (PIPR) of the quarter was placed before the Finance Committee.
