Application Process: Interested candidates may appear in the online interview along with an application/CV registered at the link https://forms.gle/JwDUnHCAN6CiSE4A6 giving details of all educational qualifications, experience, contact address, phone no., email etc. Candidates also have to submit photocopies of relevant documents in a single PDF file only containing all the documents (i.e. mark sheets, copy of the degree certificates, work experience certificates, caste certificate etc.) at the email address gtiitgprojectpositions@gmail.com by **07 November 2021** (**Sunday**) having a subject line **"Application for the post of ….. in the project entitled, "AI enabled advanced aquaponics ecosystem for the self-reliance of SC community in Central and Lower Assam".** Here, "**……**" is to be filled with the relevant **Project Staff Designation** mentioned in the advertisement. After **07 November 2021**, registration link will be closed. Candidates will be shortlisted based on the qualifications posted in the advertisement and, later only shortlisted candidates will be intimated by email separately to attend interviews.

Note:

(1) In case of large number of applications received for various posts, an online written test having questions on **mental or quantitative/qualitative abilities/Engineering Mathematics/English Grammar** may be conducted on 09 November 2021. The duration of this written test, if conducted, will be of ONE Hr. having maximum 100 questions with negative marking. It is to be further noted that candidates may be shortlisted for final interview based on the

qualifications posted in the advertisement and the performance in the written test both, in case a written test is conducted because of large number of applications received for various positions advertised.

(2) It is the candidate's responsibility to ensure a good Internet Connectivity. If anybody's interview could not be held due to Network Connectivity, we will not be responsible for the same.

(3) If there are large number of candidates appear in the interview and we are not able to finish interviews on 13 November 2021, we will continue interviews on 14 November 2021 as well.

(4) Project duration is 03 years, and after the duration mentioned in the advertisement, appointment will be renewed as per the norms of IIT Guwahati and maximum upto the project duration.

Last date for application is 07 November 2021.

Venue: Google Meet and its link will be posted on http://www.iitg.ac.in/trivedi/

Selection Process: The shortlisted candidates have to appear in the online interview. Selection will be based on the performance of the candidate in the interview. The selection committee will decide the suitable candidate after the interview. Candidates will not be sent any call letter separately. Candidates having relevant work experience as per the advertisement and in the area of electronics, agriculture, machine learning, sensor data analytics, web designing and app designing are preferred. Advance copy of CV must be sent to the Principal Investigator at the email address gtiitgprojectpositions@gmail.com

For any clarification, contact: Dr. Gaurav Trivedi (Principal Investigator)
Email: trivedi@iitg.ac.in
Phone: **+91-8011000783** (**Preferred contact time is from 6.00PM – 7.00PM**)

No campus accommodation will be available for the selected candidates. No TA/DA will be paid to the candidates for appearing in the test and interview.
