

Research and Development Section Indian Institute of Technology Guwahati Guwahati-781039, Assam

Applications are invited for an online interview for a Junior Research Fellow (GATE) position in the project entitled, "Cognitive interfaces for software engineering with multimodal brain imaging" at the Department of Biosciences & Bioengineering, IIT Guwahati.

Date: 13 July 2021 (Tuesday)

Time: 11 am onwards

Venue: Online Mode (Google Meet)

Qualification: M.E./M.Tech. in Biomedical Engineering / Computer Science / Electrical and Electronics Engineering / Biotechnology with GATE score. Knowledge of any programming languages like Matlab, C++ and JavaScript is desirable. Understanding of Digital Signal Processing or Neural Engineering will be an advantage.

Fellowship: Rs. 31000/- pm (consolidated).

Term of appointment: 11 months.

How to apply and selection process: Candidates need to apply via e-mail to cngupta@iitg.ac.in along with an application letter and a CV giving details of all educational qualifications, experience, transcripts and grade sheets, contact address, phone number, Gmail id etc. The subject line of the e-mail should be "Application for the post of JRF". Reference letters will add additional advantage and referees should email the letters straight to cngupta@iitg.ac.in.

The deadline for application is 10th July, 2021. Shortlisted candidates will be sent details and schedule of the online interview. Selection will be based on the performance of the candidate in the interview, reference letter and submitted application material.

For any clarification, contact: Dr. Cota Navin Gupta (Principal Investigator)
