

# Indian Institute of Technology Guwahati

## Research and Development Section

### Guwahati-781039, Assam

Applications are invited for an **Offline /Online** interview for the following post(s) in the project entitled, **"Investigating the Stability, Dynamics and Interactions of Biomolecular Systems in High Pressure and Salt-Rich Environments: Implications for Martian Habitability"** at the School of Interdisciplinary Studies and Sustainability (SiSAS), IIT Guwahati.

**Date: Oct 5, 2026 (Monday)**

**Time: 4:00 pm**

**Mode of interview: Details will be shared with shortlisted candidates**

| Sl. No. | Designation           | Number of Vacancies | Pay Recommended (Rs.) | HRA (Rs.) | Medical (Rs.) | Total Amount (Rs.) | Duration of Appointment in months | Qualifications                                                                                                                                                                                                                                                                                                                                                      |

| 1       | Research Associate -1 | 01                  | 58000                 | 11600     | 1250          | 70850              | 11                                | PhD in Chemical Science or Chemistry or Biotechnology and have a strong publication record, including first-author papers in Q1 journals.<br><br>Desirable:<br>Hands-on experience in protein expression and purification, complemented by advanced expertise in solution NMR spectroscopy, relaxation dispersion methods, and molecular dynamics (MD) simulations. |

Candidates are also required to appear for a Walk-in Interview scheduled on **5th October 2026 (Monday) at 4 pm. The last date of application is 28.09.26 (Monday) until 5.00 pm.**

Selection will be based on the performance of the candidate in the Walk-in interview. Candidates will not be sent any call letter separately.

For any clarification, contact: Himanshu Singh (Principal Investigator)

Email: [singh@iitg.ac.in](mailto:singh@iitg.ac.in)

Phone: 03612582205

**How to apply and selection process:**

Interested and eligible candidates should apply online by visiting the Recruitment Portal of Research & Development Cell, IIT Guwahati (<https://iitg.ac.in/rndproj/recruitment/>).

Applicants must carefully follow the instructions and guidelines provided on the portal. The relevant position can be accessed by searching for the project title as mentioned in this advertisement.

For any technical assistance related to the online application process, candidates may email to [ernd@iitg.ac.in](mailto:ernd@iitg.ac.in).

No campus accommodation will be available for the selected candidates.

No TA/DA will be paid to the candidates for appearing in the test and interview.
