Dear Alumni,

Hope this letter find you in good health during this unprecedented situation. It is our great pleasure to invite you for the first alumni meet-2020 to be held on **7<sup>th</sup> November, 2020** in the department of physics, IIT Guwahati.

We plan to have the meeting in two different sessions: one is on academics and another on non-academics. The event will be organized either in a single day or in two days depending upon the number of speakers available. Therefore, we shall be happy to have your active participation. Apart from experience sharing we particularly request you to speak on the subject you are currently involved in. We believe this will enrich the event immensely. This time for obvious reasons the meet will be via online mode.

For more detail and registration please go to the following link,

Once again, expecting your active participation,

with regards,

**Team EP, IIT Guwahati**
