

Indian Institute of Technology Guwahati
Department of Mathematics
MA1501H (CSE): Multi-Variable Calculus (3-1-0-4)
Semester: September - November 2025

Instructor: Rajesh Srivastava

For any academic queries or assistance, you may visit my office (**E1-208**), contact me at extension **2630**, or write to me at rksri@iitg.ac.in.

Attendance: Regular attendance is mandatory. Any student whose attendance falls below 75 percent will be barred from appearing in the end-semester examination of MA1501H and will be assigned an "F" grade in the course

Grading: Relative grading will be determined by the cumulative marks obtained in quiz and the end-semester examination, with the following weightage distribution:

Details:	Quiz-I	EndSem
Weightage	15	45
Exam Date	Oct 25, 2025	B1 slot
Duration	1:5 hours	03:00 hours

Important Guidelines:

1. No make-up examinations will be conducted for the missed quiz.
2. Students are encouraged to approach the instructor regarding course-related queries at any time. However, visits on examination days to seek clarifications or hints are not permitted.
3. Final grades for MA1501H will be released exclusively by the Academic Section on the officially designated date. Requests for early disclosure of grades will not be entertained.

Note: Students are expected to check https://fac.iitg.ac.in/rksri/MA1501H_2025.htm regularly for updates on course materials.

Class Discipline:

All students must ensure that their mobile phones are switched off or set to silent mode and kept inside their bags, which must be placed under their desks before the class begins. Only a copybook and a pen are permitted on the desk; all other items, especially electronic devices, are strictly prohibited. Any student with a mobile phone or similar device on their desk—regardless of intent or awareness—will be asked to leave the classroom immediately, and the incident will be reported to the academic section without exception.
