**Class Discipline:**

All students must ensure that their mobile phones are switched off or set to silent mode and kept inside their bags, which must be placed under their desks before the class begins. Only a copybook and a pen are permitted on the desk; all other items, especially electronic devices, are strictly prohibited. Any student with a mobile phone or similar device on their desk—regardless of intent or awareness—will be asked to leave the classroom immediately, and the incident will be reported to the academic section without exception.
