<b>Information Sought (जानकारी मांगी):</b>	<p>Yesterday Offers on COAP were made to Students selected for M.Tech in Data Science.</p> <p>I was expecting my name to be in the list but sadly , did not found.</p> <p>I was expecting to get 38/40 (of which i am pretty much sure) in the written test.</p> <p>The concerned department should have atleast displayed the marks scored in the written test But nowhere it was displayed. Moreover i tried calling and mailing the department but all in vain. No response from the other side.</p> <p>My normalized score, if i go as per the criteria laid down for calculating normalized score will be 68.12.</p> <p>Normalized score will be 70% gate score after gate score has been scaled down to 100 plus 30% of written test after the written test marks have been scaled down to 30.</p> <p>My gate score is 566.</p> <p>Category: OBC NCL</p> <p>Therefore my normalized score if i go with my predicted score in the written test would turn out to be 68.12 which is more than the normalized score(67.96) of the last candidate (Shivam Maurya Application no:2019MTJULDS1920 )who has been offered the seat in the OBC NCL category.</p> <p>I want to know the marks that i have scored in the written</p>		

test.

I want the photo of the OMR sheet which i filled out during the written test along with the correct answer key.
