Information Sought (जानकारी मांगी):	<p>Dear Sir/Madam,</p> <p>Please refer to the uploaded supporting document which is the final court judgement in the matter of PIL 26/2019 which was filed at Gauhati High Court. In this judgement, it is mentioned that IIT Guwahati submitted to the Gauhati High Court that a temple (the construction of which was challenged through this PIL) existed much before the land was given to IIT Guwahati and that some tribals were living at the place</p>		

which was given to the IIT.

In this context, please provide me the following information under RTI Act 2005.

1) Please provide me the information about the name(s) of the tribe(s) which was/were living at the present site of IIT Guwahati at the time this land was allotted to establish IIT Guwahati. Please also let me know the number of families and total number of the tribal people who were living at the time the land was allotted to establish IIT Guwahati.

2) Since it is illegal to vacate tribals who have been living on a land for generations, please provide me the information about monetary compensation given to each family of the tribals to vacate.

3) Please let me know whether tribals filed any court case(s). In this regard, for each court case, please provide me the court name, case number, year when the case was filed and the outcome of the case.

4) Please provide a documentary evidence of the existence of the temple (the temple mentioned in the PIL) at the time land was given to open IIT Guwahati. In this regard, please provide

- a) A photograph of the temple of the time when land was given to open IIT Guwahati.
- b) A map of the time when land was given to open IIT Guwahati, showing the temple on the map.
- c) A certified copy of the masterplan showing the temple.
