Dear Sir/Madam,

Ref: Written tests and interviews of Graduate Aptitude Test in Engineering (GATE) qualified applicants.

The admission process of Indian Institute of Technology Guwahati for Master of Technology (M. Tech) study program in certain courses consists of written tests and interviews of Graduate Aptitude Test in Engineering (GATE) qualified applicants. My questions are:

1. What is the legality of the tests and interviews that are conducted by Indian Institute of Technology Guwahati as part of the admission process in the Master of Technology (M. Tech) study program?
2. By what legal authority, Indian Institute of Technology Guwahati conducts the above-mentioned written tests and interviews of the Graduate Aptitude Test in Engineering (GATE) qualified applicants for admission in M. Tech study program?
3. Please provide a certified copy of the Government Order, Act of the Constitution of India or other legal process, that gives Indian Institute of Technology Guwahati the legal authority to conduct the above-mentioned written tests and interviews of the Graduate Aptitude Test in Engineering (GATE) qualified applicants.

Thank you

Shivam Agarwal
