Answer 1: During interview, each candidate was assessed on objective as well as subjective understanding of issues related to development. Each candidate was asked 5 objective type questions as well as a set of subjective question(s). The number of questions to assess the subjective understanding is not fixed. The panel provided marks on each type (subjective and objective). Each type (subjective/objective) were given equal weightage to calculate the overall percentage score.

Answer 2: Score: 42.5%
Open Ranking: 133
OBC Ranking: 32

Answer 3: Please refer to Q1. In addition, the number of questions asked on objective part was fixed. Panels had a liberty to ask as many questions to judge the subjective understanding of developmental issues.

Answer 4: Please refer to Q1.

Answer 5: Please refer to Q1.

Answer 6: Once the results are sent to academic section for formal publication, the Department is unable to answer any informal/direct query regarding the results. All such queries to the department must come through a proper channel.
