whose interview was taken by the panel 1 on 22nd July 3:40 PM

Before applying for online-RTI, this I tried phone number, emailing of the admission committee as soon as I get the result, but nothing is responding.

The result which was declared is in accordance with Overall Score (in %) in order of merit

I was asked 9 questions after my introduction, after analyzing it, I gave 6 answers correct/ factual, I skipped 2 questions and mistook 1.

The following is my doubts/ query and interrogation.

1. What is the overall score per cent, what does it include?
2. What is my Overall score? My Ranking, calculation method. The number of answers which I have given correctly.
3. What is the code/guidelines/schemes for the interview?
4. What is the uniformity in panels? How many panels were formed?
5. How many candidates were selected from each panel by the number of candidates interviewed?
6. What is the number of questions were asked on avg by each panel, marking schemes of the panels constituted?
7. Which process was followed, i.e Interviewers directly nominated the candidates or they just allotted their marks according to their schemes?
8. What are the average marks of the candidates of each panel?
9. Who is the Committee head?
10. Why none of my mails was responded back by any of the handlers? Sent to HOD-HSS, MA adm com. And DoAA.

I am not questioning any of the board members and committee, according to me none of them is biased but I just want to know my status, my score. What are the measures which were taken for giving Uniformity in selections procedure which have shown bias?

Some were asked only 5 questions and some did it 9.

Yours faithfully

Sanyog Kumar
