ABOUT THE SCHOOL OF BUSINESS

The Master of Business Administration (MBA) at IIT Guwahati is a two-year (four semesters) residential programme. The programme, which is holistic in nature, comprises of classroom teaching, case studies, projects and internship in the industry. The goal of the programme is to provide an overall well-rounded learning experience for the students. The specific thrust of the programme would be to impart training to enable the connect between the technical experts and corporate leadership, who make business decisions. The ability to understand both the technical and business sides of the equation has a great impact on making decisions towards creating invaluable asset for a corporation in a highly competitive and ever evolving marketplace.

The MBA degree is expected to augment the analytical expertise, by providing a keen understanding of the fundamentals of business, such as economics, accounting, finance, organisational development and strategic development. The MBA programme will not only have required courses, but also provide students with plethora of focused electives from other academic. The programme also gives enough flexibility to the students to gain expertise in selected areas of general management and applied management areas through extensive project works.

VISION

The vision of the School is to become a world-renowned platform for creation and dissemination of business management knowledge by integrating, teaching, training and research.

MISSION

To excel in nurturing the spirit of creativity, sustainability, and self-reliance amongst the next generation business decision makers by leveraging the ecosystem of research, teaching, consultancy, and industry-academic collaborations within IIT Guwahati.

CORE VALUES

- ❖ Integrity
- ❖ Academic Excellence
- ❖ Creativity
- ❖ Innovation.

Prof. Devendra Jalihal
Director, IIT Guwahati

Director's Message

The Indian Institute of Technology Guwahati has emerged as one of India's leading academic institutions, consistently ranked among the top institutes in NIRF and featured in the QS World Rankings. With a strong focus on innovation, multidisciplinary learning, and excellence in education aligned with NEP 2020, IIT Guwahati fosters creativity, leadership, and impactful research.

To strengthen management education and entrepreneurship, IIT Guwahati established the **School of Business**, offering its flagship **MBA programme** along with a Ph.D. programme and future minor programmes for B.Tech students. The School aims to nurture techno-managerial leaders and support entrepreneurial development, particularly in the North-East region.

The vision of the School is to build a vibrant ecosystem where students from diverse backgrounds develop strong business and leadership skills and transform ideas into impactful ventures—guided by the philosophy: “**Create job-creators, instead of job-seekers**”.

HOD's Message

Since inception, the flagship Master of Business Administration (MBA) programme of the School of Business remains one of the attractive programmes of the institute. Recently, we revised the programme for balanced representation of **all core functional areas in Management** — namely Finance & Accounting, Marketing, Organizational Behaviour & Human Resource Management (OB-HR), Operations, Strategy, Information Systems, and Economics. Emphasis is given to have a large pool of electives which may shape the students in their selected area. The PhD programme of the School provides a place to create future leaders for Academia, Research and Development, and Industry in all focused areas. The school is planning to start Minor programmes for the undergraduate programme of the institute. The school provides opportunities for development of techno-entrepreneurship. The School of Business at IIT Guwahati is serving as the gateway institution within the region - a centre for local and **national talent creation**, cross-disciplinary education, and local entrepreneurship and innovation.
